Weddings on Breede

Your Ideal Destination Wedding Venue

If you are looking for a unique venue for your special day which you can share with family and friends in tranquil surroundings on the banks of the Breede River, an hour's drive from Cape Town then High Africa's 'Weddings on the Breede' is the answer.

'Weddings on the Breede' is a destination venue, only 12 km from Worcester. We have plenty of overnight accommodation which will allow you and your party to spend a wonderful weekend away from the bustle of town life and in the safety of your private venue without fear of drink-drive issues.

'Weddings on the Breede' provides for your celebration with a spread of venues covering:

- Several separate en-suite rooms for the Bridal party to prepare in
- a rustic thatched boma, and a relaxing log cabin styled deck and pub area overlooking the river where arriving guests can be met and welcomed
- a choice of Ceremony Venues of either a thatched hall or on the banks of the Breede River.
- a separate Reception area which can be set up to your style and taste for your Reception so you can celebrate your big day with family and friends.

We provide wonderful meals from our 2 kitchens. Your Reception meal is prepared in our kitchen adjacent to the Reception area and all other meals for the rest of your stay will be prepared in the second kitchen which is situated next to the Boma.

We have accommodation for up to 124 guests. Accommodation is in 24 bed rooms of varying styles which you can offer to your family and friends depending on their groupings and preferences.

In addition to our ceremony facilities, we offer a variety of activities suitable for groups of all ages. This, together with our accommodation and excellent catering, provides for a complete getaway package that can be tailored to meet your and the needs of your party should you wish to go beyond just relaxing and wining and dining. All of our adventure activities are supervised by qualified and highly experienced activity leaders to ensure a high standard of learning and safety.

These activities include:

- River rafting
- Raft building and canoe relay races.
- A 12m Climbing Wall
- The High-Ropes Course
- A thought provoking Low Ropes Challenge
- And many more
